Thank you for considering Northridge Golf Course for your upcoming wedding!

Northridge Golf Course is a municipal facility, with ample parking, conveniently located in the north end of Brantford. Northridge offers a beautifully manicured 18-hole golf course and fully licensed, air conditioned clubhouse facility. There are many opportunities for photographs on-site taking advantage of our gorgeous gardens and mature trees. The landscape is beautiful in Spring, Summer, Fall and Winter.

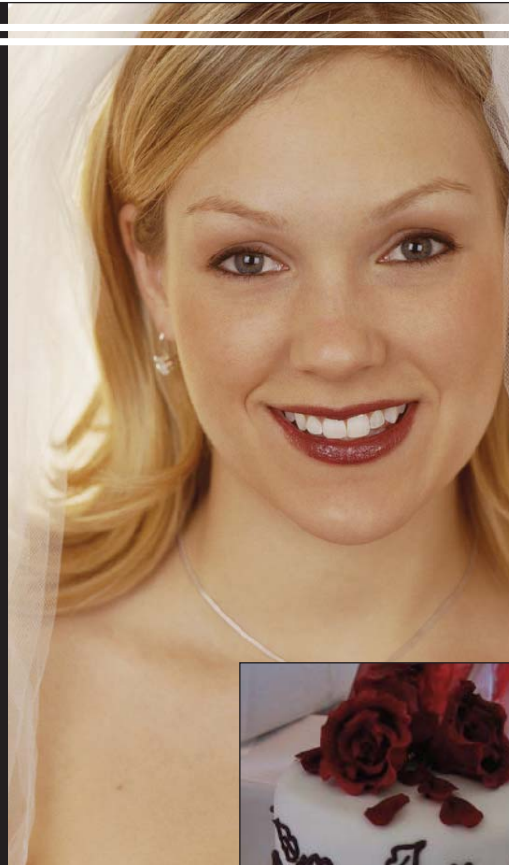

Our picturesque Banquet Hall can accommodate a maximum of 150 guests. The second floor hall boasts two walls of large windows that overlook the golf course. The views are stunning. With it's simple decor and gorgeous views, this hall will suit any wedding style. The venue is wheelchair accessible.

We have designed our wedding selections to allow each bride and groom to fully customize their day. Start with our base package, "The Simply Elegant Buffet", and add on from there. To compliment your reception, upgrades are available for meal options and service styles. Other options include an hors d'oeuvres cocktail hour and/or a midnight snack. You may choose a host or cash bar, fresh fruit or champagne punch, wine for each table, even a Champagne toast; the choices are endless!

At Northridge we understand that planning a wedding can be a big undertaking. We will work with you to make your Wedding Day as special and perfect as you have always dreamed. If you are interested in a personalized tour of our facilities or to book your wedding at Northridge, please contact:
