429.12.6 Completion construction - owner responsibility

Following the completion of a construction project, and prior to the issuance of a completion certificate when required, the owner of the property shall submit to the Chief Building Official:

- (a) a set of as-built construction drawings if said construction project differs from the proposed construction drawings submitted with a permit application; and
- (b) a legal survey of the property indicating the location of all buildings on the property, prepared by an Ontario Land Surveyor, for all new buildings except accessory buildings. By-law 37-2006, 27 March, 2006.

Article 13 EQUIVALENTS

429.13.1 Application - permit - authorization - material change

Where an application for a permit or for authorization to make a material change to a plan, specification, document or other information on the basis of which a permit was issued, contains an equivalent material, system or building design for which authorization under section 9 of the Act is requested, the following information shall be provided:

- (a) a description of the proposed material, system or building design for which authorization under section 9 of the Act is requested;
- (b) any applicable provisions of the Ontario Building Code;
- (c) evidence that the proposed material, system or building design will provide the level of performance required by the Ontario Building Code. By-law 10-94, 17 January, 1994.

Article 14 REGISTERED CODE AGENCIES

429.14.1 Registered code agency - hired - Chief Building Official

The Chief Building Official is authorized to enter into and sign contracts for service agreements with registered code agencies and appoint them to perform specified functions from time to time in order to maintain the time periods for permits prescribed in subsection 2.4.1 of the Building Code.

429.14.2 Functions of registered code agency

The registered code agency may be appointed to perform one or more of the specified functions described in section 15.15 of the Act.

Article 15 FEES

429.15.1 Fees and charges

The City shall charge such fees for permits as fixed by by-law from time to time.

429.15.2 Other permits - downtown core

Where the project is located within the area shown on Schedule 'B', the fees as set out in By-law 1-2006, Schedule 10 as amended, are applicable.

429.15.3 Valuation - determination - verification

The Chief Building Official shall verify the applicant's valuation or determine a prescribed construction value and the applicant shall pay the fee or balance of the fee based on such prescribed value before a permit is issued.

429.15.4 Valuation - disagreement - procedure - time limitation

Where there is a disagreement with the prescribed construction value established by the Chief Building Official, the permit holder shall, not later than three months following the issuance of the occupancy permit or of the certificate of substantial completion of the construction, lodge with the Chief Building Official a letter authorizing release, by the institution which financed the project, of a copy of the final mortgage monitoring report prepared for the construction, or in the alternative, Section 429.15.5 shall apply.

429.15.5 Valuation - disagreement - statements - submitted

The permit holder shall lodge with the Chief Building Official audited financial statements prepared by a chartered accountant or a certified general accountant fully setting out the cost components of the construction, including names of suppliers and installers, along with the amount paid to each.

429.15.6 Valuation - less than projected - refund

Where, upon examination by the Chief Building Official of the mortgage monitoring report or the audited financial statements, the Chief Building Official establishes a valuation of the construction less than the valuation on which a permit fee was paid, the Chief Building Official shall make a refund, if any, without interest.

429.15.7 Building permit - returned - refund - limitation

Where a building permit has not been acted upon and the holder of the permit returns it for cancellation prior to the commencement of the project, before such permit has expired or been revoked, the holder of the permit shall be entitled to a refund not to exceed one-half of the permit fee paid, provided however, that no refund shall be made which shall result in the retention by the City, of a sum less than the minimum permit fee.

429.15.8 Application - cancelled - refund - limitation

Where the applicant for a building permit cancels the application prior to the issuance of the permit, the City may retain an amount of not less than one quarter of the permit fee payable as is appropriate in the opinion of the Chief Building Official, having regard for the stage to which the application has been processed, and the balance of the fees actually paid will be refunded to the applicant, when requested in the form of a written request, provided that no refund will be made which shall result in the retention by the City of a sum less than the minimum permit fee.

429.15.9 Application - inactive - abandoned - refund

Where an application for a permit remains incomplete or inactive for six months from the date the application was made, the application may be deemed by the Chief Building Official to have been abandoned and the application may be cancelled, with part of the fees refunded in accordance with Section 429.15.10.

429.15.10 Application - inactive - continuation - written request

If the applicant wishes to continue with the application prior to cancellation, it shall be in the form of a written request.

429.15.11 Continuation - permitted - conditions

The Chief Building Official may allow the application to remain and attach any conditions thereto.

429.15.12 NSF cheques (non-sufficient funds)

When an NSF cheque has been provided as payment for any fees prescribed in this Chapter, payment must be resubmitted in the form of cash, certified cheque, bank draft or other form of payment acceptable to the Chief Building Official. Failure to provide the appropriate payment within 30 days of application will result in the application being cancelled and all documents being destroyed without further notice.

429.15.13 Plan - re-examination - fee

Where an applicant substantially revises a proposed building design or changes the “model” of a house after plans examination of a previous submission has already been undertaken, such that the revision or changes constitute a re-examination of the plans, then an additional 50 per cent fee will apply to the permit fee for costs incurred by the City. By-law 37-2006, 27 March, 2006.

Article 16**PERMIT - REVOCATION****429.16.1 Non-commencement - discontinuation - time limitation**

Where a permit is issued and the construction or demolition has not commenced or is substantially suspended or discontinued for a period of time as described in the Act, the permit may be revoked.

429.16.2 Construction - continuation - written request

If the holder of the permit wishes to continue with the construction or demolition, a written request shall be submitted to the Chief Building Official.

429.16.3 Continuation - permitted - conditions

Upon receipt of the request, the Chief Building Official may allow the permit to continue in effect and attach any conditions thereto.

429.16.4 Notice - reply within thirty days - options

Prior to revoking a permit in accordance with the Act, the Chief Building Official may give written notice of intention to revoke to the permit holder at his/her last known address and if, on the expiration of thirty days from the date of such notice, the ground for revocation continues to exist, the permit shall be revoked without further notice and all submitted plans and other information may be disposed of or, at the request of the permit holder, returned as directed.

Article 17**PERMIT - TRANSFER****429.17.1 Application - required - new owner - conditions**

Permits are transferable only upon the completion of a permit application form along with the prescribed fee, by the new owner or his/her agent in accordance with Section 429.4.1, Article 5 and Article 13, and subject to approval by the Chief Building Official who may attach any conditions thereto. By-law 10-94, 17 January, 1994; By-law 37-2006, 27 March, 2006.

429.17.2 Fees - permit - transfer

The fee to transfer the ownership of a permit is \$75. By-law 37-2006, 27 March, 2006.

Article 18**NOTIFICATION****429.18.1 Notice of material change to plan**

After the issuance of a permit under the Act, notice of any material change to a plan, specification, document or other information on the basis of which the permit was issued, must be given in writing to the Chief Building Official together with the details of such change which is not to be made without his/her written authorization. By-law 10-94, 17 January, 1994.

429.18.2 Inspection - conditional - partial - foundation - permit

As required by subsection 2.4.5 of the Ontario Building Code, O.Reg. 403/97 as amended, every person to whom a building, conditional, partial or foundation permit has been issued shall notify the Chief Building Official for each stage of construction as prescribed therein, and shall allow at least two working days for an inspection to be carried out thereafter. By-law 10-94, 17 January, 1994; By-law 37-2006, 27 March, 2006.

429.18.3 Inspection - demolition - moving - hoarding - permit

Every person to whom a demolition, moving or hoarding permit has been issued shall notify the Chief Building Official at least two working days in advance of the commencement of said demolition, moving or erection of hoarding.

429.18.4 Completion - occupancy - newly erected building

As required by section 11 of the Act, appropriate notice shall be given to the Chief Building Official prior to the completion or occupancy of any building or portion thereof that is newly erected or installed.
