Created November 2013/ Revised February 2016

FOOD PREMISES BUSINESS LICENCE APPLICATION MUNICIPAL CODE CHAPTER 326 A-2

Business Licensing Municipal Code Chapter 326

On November 18, 2013, City Council passed a revised Business Licensing bylaw.

As a result of this bylaw, the annual expiration date has been changed from December 31st to March 31st.

A few key highlights of the changes in Business Licensing bylaws are as follows:

- The establishment of a late fee for failing to renew your Business licence prior to the expiration effective April 1st Annually
- Creation of standard application requirements including the addition of the following:
 - Every application for a licence shall contain all of the following information:
 - the name of the applicant, along with a copy of the applicant's identification;
 - if a corporation, a copy of the constating documents of the corporation and a copy of the master business licence of the corporation;
 - a brief description of the premises used for engaging in or carrying on of the business, including:
 - if a building, the description shall contain the address and a description of the building or such part of it as is to be used for the business;
- Definition changes and the creation of a tier categories for Food premises as follows:
 - "eating establishment" means a premises where food, or drink, or both, is prepared and offered for retail sale and where facilities are provided for the consumption of said food on the premises. For the purposes of this Schedule, an eating establishment shall fall into one of the following three categories:
 - Category 1 = seating capacity of 30 or fewer;
 - Category 2 = seating capacity of 31-150, inclusive; or
 - Category 3 = seating capacity of more than 150;
 - "food shop" means any place wherein food and drink intended for human consumption are made for sale, offered for sale, stored or sold, but is not intended to be a place where food and drink are consumed on the premises, but shall not include an outdoor food premises
 - "food vending machine" means any self-service device that upon insertion of a coin, coins or tokens automatically dispenses unit services of food either in bulk or package form
