### Public Way Protection - Occupational Health and Safety Act Ontario Regulation 213/91 - Construction Projects

- (1) No work shall be carried out on a building or structure located within 4.5 metres of a public way unless a covered way is constructed over the part of the public way that is adjacent to the project. O. Reg. 213/91, s. 64 (1).
- (2) Subsection (1) does not apply with respect to a building or structure if the work being done is enclosed. O. Reg. 213/91, s. 64 (2).
- (3) A covered way,
- (a) shall have an unobstructed height of not less than 2.4 metres;
  - (b) shall have an unobstructed width of not less than 1.1 metres or, if it is over a sidewalk that is less than 1.1 metres wide, have a width equal to the width of the sidewalk;
  - (c) shall be capable of supporting any load likely to be applied to it and capable of supporting a load of at least 2.4 kilonewtons per square metre;
  - (d) shall have a weather-tight roof;
  - (e) shall have the side adjacent to the project covered with a partition that has a smooth surface on the public way side;
  - (f) shall have a railing one metre high from ground level on the street side; and
  - (g) shall have adequate lighting within the public way. O. Reg. 213/91, s. 64 (3).

**A site plan must be provided with this application indicating the area of demolition with distances to the adjacent property lines. If public way protection is required a Hoarding Permit must be obtained from the City of Brantford.**

### NOTES:

A demolition/removal permit cannot be issued until a completed demolition application has been submitted (including a site plan indicating the areas of demolition and distances to property lines), the information on the both sides of this schedule has been completed and received and all fees have been paid.

No demolition/removal work can begin until a permit has been issued.

It is the responsibility of the owner (or his agent) to make sure that the following inspections are called for at the stages of construction at least 48 hours in advance:

- Prior to the commencement of any work
- Prior to backfilling after capping-off sewers
- When all work is completed and the site cleared and levelled
