A site plan must be provided with this application indicating the area of demolition with distances to the adjacent property lines. If public way protection is required a Hoarding Permit must be obtained from the City of Brantford.

NOTES:

A demolition/removal permit cannot be issued until a completed demolition application has been submitted (including a site plan indicating the areas of demolition and distances to property lines), the information on the both sides of this schedule has been completed and received and all fees have been paid.

No demolition/removal work can begin until a permit has been issued.

It is the responsibility of the owner (or his agent) to make sure that the following inspections are called for at the stages of construction at least 48 hours in advance:

- Prior to the commencement of any work
- Prior to backfilling after capping-off sewers
- When all work is completed and the site cleared and levelled
