

Affordable Rental Housing Listings

These listings include affordable housing information in our Community for individuals and families with annual income that is less than \$41,677.00. **Please call the contact listed below if you are interested.**

The rent(s) for these units is based on the average rent for this community. If you require a modified unit due to a physical disability, have a mental illness, or have been a victim of domestic violence, please tell the contact person this information as special units and rates may apply.

Buildings marked with an * have some Rent-Geared-to-Income and/or Market Rent units. If you are interested in one of these units, please contact the City Housing Department at 519-759-3330 to apply.
