SYSTEM SETTINGS

User Name & Password must be created

The image shows a web browser window displaying a registration form. The form is divided into two main sections: 'CREDENTIALS' and 'CONTACT INFO'. The 'CREDENTIALS' section contains a 'Validation Code' field. The 'CONTACT INFO' section contains fields for 'Address', 'City', 'Province/State', 'Country', 'Postal/ZIP Code', 'E-mail', 'Phone (Work)', and 'Phone (Home)'. Four red callout boxes with arrows point to specific fields, providing instructions on validation requirements.

Recommended that a validation Code of a minimum of 4 Digits be created by the customer , otherwise the City will create a validation code & notify the customer

A valid mailing address must be entered

A valid email address must be entered

At least one contact phone number must be entered
