

# FIRE SAFE PLEDGE CHECKLIST

*“As a trusted REALTOR® I pledge to perform the Fire Safe Pledge Checklist on every home I list for sale or help purchase.”*

- 1 Verify there are working smoke alarms on every level of the home and outside all sleeping areas (at minimum).
- 2 Check the expiry date and test each smoke alarm.
- 3 Verify there are working CO alarms outside all sleeping areas.
- 4 Check the expiry date and test each CO alarm.
- 5 Replace batteries, and install new units when necessary.
- 6 REALTORS® should perform this check when listing a home with a seller and when doing a final walk-through with their buyer.

*Homeowners should perform their own check monthly.*
