

POLICY MANUAL

POLICY NUMBER: CORPORATE-029

SUBJECT: Employee Code of Conduct

**POLICY STATEMENT:
(Purpose/Objective)**

Chapter 1
Interpretation

(a) Organization of By-law

This By-law is divided into chapters which deal with different elements of the City's Code of Conduct. Each such chapter includes a set of frequently asked questions and the answers to those questions. Each chapter also includes the formal policy dealing with the topic considered in that chapter.

The questions and answers are not deemed to be a formal part of this By-law, but are presented for the assistance of the reader and for training purposes. The formal policy is the official policy for all purposes. The formal policy cannot be amended except by approval of Council, but the Director of Human Resources is allowed to amend and adjust the frequently asked questions as he deems appropriate from time to time, so that this policy may be more clearly understood by its users. The By-law contains statutory references which may alter from time to time, and the Director of Human Resources is authorized to review the text of the By-law to update any such statutory references so that they remain current. Also, the Director of Human Resources is authorized to publish this By-law from time to time in such forms as may appear to him or her to be more easily accessible by its users.

This By-law may be referred to as the “Code of Conduct” and references to a Code of Conduct in any municipal documents shall (unless the context clearly expresses a different intention) be deemed to be a reference to this By-law.

This By-law is to be read as a whole. While some effort has been made to place similar matters into specific chapters, it is inevitable that there will be some overlap between chapters and that multiple chapters may need to be consulted to reach the answer to specific questions.

(b) Self-governing Professions and their Standards of Conduct

Many staff of the City are members of self-governing professions which have extensive codes of conduct. These codes of conduct will be considered part of the City’s code of conduct as though they were actually written into it, and a breach of these codes will be a breach of the City’s requirements. In the event that the codes of conduct of self-governing professions impose higher requirements than the City’s Code of Conduct, the more rigorous requirements will govern.

(c) Application of By-law

This By-law applies to all Employees (as defined below) in their dealings among themselves, with Councillors, and with the public - including all clients, vendors, and suppliers.

Although the definition of Employee includes volunteers and appointees to City advisory Boards and Committees, these individuals will not be included within the requirements of Chapter 4 of this By-law. In addition, where the enacting By-laws creating any advisory Boards and Committees define a standard for conflicts of interest which differs from that contained in Chapter 3, the standard within the enacting By-law for the advisory Board or Committee shall govern.

At various locations throughout the By-law, there are defined roles and responsibilities given to supervisors. When references to supervisors are read in the context of appointees to City advisory Boards and Committees, the Chairperson of any applicable advisory Board or Committee will occupy the role of supervisor in respect of volunteer members of the Committee, and the General Manager or City Manager (as the case may be) having responsibility for the advisory Board or Committee will occupy the role of supervisor in respect of the chairperson.

None of the special rules above will apply to City Workers or municipal Councillors when they serve on City advisory Boards and Committees. The normal rules applicable to City Workers and members of Council shall always apply to them.

- (b) The rule in (a) above is subject to the following exceptions:

- (ii) Infrequent attendance or participation in social or sporting events in the company of a business contact, if approval is granted in advance by:
 - 1. The applicable General Manager, where the *Employee* works within a Commission supervised by a General Manager;

- (v) If the gift has absolutely no relationship with the status of the recipient as a City *Employee* (i.e. there is another relationship between the donor and recipient which caused the gift to be made);
- (vi) The gift is a randomly distributed gift such as a door prize which is won by an Employee attending a conference, training session, or other event on behalf of the City;
- (vii) The gift is an honorarium or other gift given in recognition for speaking at a seminar, conference, symposium or a similar event; or

Such disclosure shall occur within one week following the receipt of the gift, entertainment or benefit, with a copy to:
- (i) The applicable General Manager, where the *Employee* works within a Commission supervised by a General Manager; or,

- (d) An *Employee* who contacts a vendor selling goods or services to the City requesting "City pricing" for a personal purchase by the *Employee* shall be deemed to have contravened (a) above, however the foregoing shall not prohibit an *Employee* from partaking in the benefit of promotional pricing or other special pricing if that pricing is already available to City or other government *Employees* as a class.
- (e) The Fifty dollar (\$50.00) limit in (b)(iv) and (c) above shall be re-examined from time to time as part of periodic and comprehensive reviews of this By-law to be conducted by the Human Resources Department, and may be amended administratively as necessary by the Director of Human Resources as part of such review without the need for the specific approval of Council.
- (f) In the event that a gift, an opportunity for the receipt of entertainment (such as a ticket), or some other benefit is delivered to an *Employee* in circumstances where:
- (i) acceptance by the *Employee* would contravene this Chapter;
 - (ii) he or she was unable or failed to refuse it at the time of delivery; and,
 - (iii) it is impractical for the *Employee* to return it to the donor,
- the *Employee* shall advise his or supervisor who shall make arrangements for it to be given to charity or raffled off with the proceeds of the raffle being given to charity. If it is practical for the *Employee* to return such a gift or opportunity for the receipt of entertainment to the donor or to refuse it at the time of delivery, the *Employee* is required to take that action.

Chapter 3
Conflicts of Interest

- (a) *Employees* will not make decisions on behalf of the municipality, make recommendations to the municipality, use their position with the municipality, or take any action on behalf of the municipality in respect of matters in which they have a *Conflict of Interest*.
- (b) *Employees* are required to provide disclosure to the head of the division in which they work (in the case of the City Manager, this would be the Mayor) in writing of any *Conflicts of interest* which relate to their duties and responsibilities with the municipality. Supervisors receiving such a disclosure are required to give it due consideration, obtaining advice and assistance from the Human Resources Department or upper management as necessary, and provide the necessary direction to the *Employee* with respect to the resolution of the *Conflict of Interest*. Provided that the disclosure has been full and frank, any *Employee* who complies with the direction given pursuant to this process will be safe from discipline or criticism and will be able to rely upon the direction as a complete answer to any future disciplinary or other action by the City against the *Employee* in respect of the *Conflict of Interest*.

Chapter 4
Outside Activities

- (a) *Outside Activities*, whether consisting of employment for profit or participation in non-profit activities, are generally permitted subject to the following conditions:

- (d) In addition to the requirements of the other rules in this Chapter, if the *Outside Activity* is a political activity which:
- (i) Consists of running for elected office, the *Employee* may have certain statutory rights allowing the *Employee* to have a leave of absence. There are other statutory provisions which may disqualify particular *Employees* from running for particular offices. But, subject to the applicable statutory provisions, and the other rules relating to *Outside Activities*, *Employees* will be generally free to run for any public office.

 - (i) it is clear that the *Employee* is acting for himself or herself and not on behalf of the City; and,
 - (ii) the *Employee* will not use any information which he or she has obtained in the course of working for the City that is not generally available to all residents of the City.

Chapter 5
Nepotism

- (a) The City will avoid any practice that may give rise to *Conflicts of Interest* or difficulties for supervisors, co-workers, and subordinates when hiring *Employees* particularly as it relates to the employment of *Relatives* of *Employees* and Members of Council.
- (b) *Relatives* of City *Employees* and *Relatives* of Members of City Council may only be *hired* by the City if each of the following conditions is met:
 - (i) the hiring of the *Relative* will not result in the situation where an *Employee* will be the direct supervisor of a *Relative* or the situation where an *Employee* is the functional supervisor of a *Relative*;
 - (ii) an application has been received in the normal manner and the standard recruitment and selection process was followed;

- (iii) the candidate to be *hired* is, in the opinion of the interviewers, the best qualified with respect to the requirements of the position;
 - (iv) there was no undue influence exerted on the interviewers;
 - (v) no potential *Conflicts* or other difficulties appear to exist; and,
 - (vi) a *Relative* of the *Employee* to be *hired* did not take part in the selection process.
- (c) Nothing in (a) shall be interpreted to suggest that contraventions of items (ii), (iii), (iv) or (v) shall be allowable in the hiring of *Employees* who are not *Relatives* of any *City Employee*.
- (d) In the event that persons become *Relatives* of one another after they have been *hired* in circumstances where one supervises the other, the circumstances will be reviewed by the City Manager and the Director of Human Resources on a case-by-case basis to determine what action, if any, can be taken to remove the reporting relationship.

Chapter 10 Dress and Attire

The purpose of this Chapter is to ensure that all Corporate *Employees* maintain a professional demeanor while not limiting expressions of taste and individuality. Employee's attire is a reflection of their professionalism and that of the Corporation. *Employees* should dress appropriately to conduct municipal business and, more specifically, to reflect their position within the Corporation. A suitable appearance is important for *Employees* who, at any time, may come into contact with the public and municipal clients.

(a) Basic Rules

Employees' clothing shall comply with the following rules:

- (i) All clothing should be clean and neat in appearance. It is recognized that some positions will cause clothing to become soiled during the course of a workday, but every *Employee* should begin his or her workday with clean and neat clothing.
- (ii) Different positions will have different requirements. *Employees* who, for instance, do yard work, work in a fitness centre or work as lifeguards, will have different requirements than office workers at City Hall. *Employees* must wear clothing which is appropriate to the jobs that they do and the degree of professionalism that they must present.
- (iii) Work schedules should be taken into consideration when dressing. Meetings scheduled with customers require appropriate attire whether it is in the office or in the field.
- (iv) Personal safety must be considered when choosing clothing so that the chance of any accident is minimized.
- (v) For any *Employee* at any *Workplace* at any time, it will be inappropriate to wear any attire with inappropriate messages, graphics, expletive language, etc.;
- (vi) The following clothing is generally unacceptable, but may be worn if an *Employee* works in an athletic facility where the clothing is necessary for his or her job:
 - Tank tops, Muscle shirts
 - Exercise apparel

- Halter tops, tube tops, shirts that expose a bare midriff.
- High-cut, cut-off or biker shorts
- Leggings or exercise type pants (spandex or lycra);

(vii) *Employees* shall limit their use of fragrances, especially when they work in an office environment where other *Employees* or members of the public may be negatively affected.

(viii) For *Employees* who work exclusively in an office environment, the wearing of blue jeans is unacceptable except on dress-down days or other special occasions (such as a day when *Employees* are moving office or doing other unusual work) as may from time to time be designated by department management.

(b) Non-Compliance

An *Employee* who is deemed to be dressed inappropriately may be requested to return home and change by their Department Head or designate for failing to adhere to acceptable standards of dress and appearance.

(c) Dress Down Days

(i) Every Friday is designated as a “Dress Down Day”. The same standards of dress which are applicable on other days shall apply to dress down days, with the single exception that *Employees* who are not otherwise permitted to wear blue jeans may wear blue jeans on a dress down day.

(ii) Dress-down days are not available to those *Employees* with a specific dress / uniform policy (e.g. Fire Fighters and transit operators), or are required to wear certain clothing which has been issued pursuant to the provisions of any applicable Collective Agreement, or generally where the wearing of specific clothing is a safety requirement.

Chapter 11
Alcohol and Drug Use

(a) While within the *Workplace*, no use of alcohol is permitted unless the consumption of alcohol occurs at an event approved by the Mayor or Council at which alcohol is served.

(b) While within the *Workplace*, no use of drugs is permitted.

- (c) This Chapter shall not apply to alcohol and drug use outside the *Workplace*, with three exceptions. In each of the following exceptions, the use of alcohol or drugs outside the workplace will be a contravention of this policy:
- (i) If the alcohol or drug use negatively affects the performance of the *Employee* within the *Workplace*. Without limiting the generality of the foregoing, an *Employee's* performance will be deemed to have been negatively affected if he or she consumes alcohol and comes to work with a smell of an alcoholic beverage while exhibiting erratic or unusual behaviour, stumbling, difficulty speaking, loss of balance, or lack of coordination;
 - (ii) If it is a position requirement for a specific position that an *Employee* shall have no alcohol or drugs in his or her system while within the *workplace*, and the *Employee* comes to work or resumes work following a lunch or other break with alcohol or drugs in their system; or,
 - (iii) If the *Employee* operates a City-owned motor vehicle or dangerous machinery as part of his or her duties, and the *Employee* comes to work or resumes work following a lunch or other break with any alcohol or drugs in their system.
- (d) Any staff who have taken alcohol or drugs, whether such consumption is allowed or prohibited by the provisions of this Chapter, that might interfere with their ability to operate motor vehicles (where the operation of a motor vehicle is part of the *Employee's* job duties) or dangerous machinery (where the use of dangerous machinery is part of the *Employee's* job duties), or otherwise perform their job duties, must advise their supervisor who will be required to take appropriate action.
- (e) This Chapter shall not prohibit the use of alcohol or drugs in any of the following situations:
- (i) Where alcohol is consumed as a trace ingredient in prescription medication being taken by an *Employee*; or,
 - (ii) Where drugs are taken for the treatment of a medical illness or disorder and are either prescription or non-prescription and are used in accordance with the prescription or other instructions accompanying the medication.

In the event that either (i) or (ii) applies but the use of alcohol or drugs nevertheless gives rise to the circumstances described in (d) above, the “appropriate action” to be taken by the supervisor shall include reasonable efforts to accommodate the *Employee* by providing alternative work.

- (f) For purposes of this Chapter, normal office equipment shall not be deemed to constitute dangerous machinery.

Chapter 12 Enforcement
