NOTICE OF PROJECT

Road Resurfacing on Brant Avenue

(Dalhousie Street to St. Paul Avenue)

As part of our ongoing efforts to maintain and improve our infrastructure, The City of Brantford, through its contractor, Steed and Evans Limited, will be resurfacing Brant Avenue (from Dalhousie Street to St. Paul Avenue). The work is scheduled to start in July and will be completed by the end of August, weather permitting.

In order to accommodate construction, Brant Avenue will be reduced to two (2) lanes of traffic, one lane in each direction, and there will be no on-street parking permitted during the work. Those travelling on Brant Avenue can expect delays and should allow for additional time to arrive at their destination.

Thank you in advance for your patience and understanding during this period of disruption. If you have any questions regarding this project, please contact:
