NOTICE

NOTICE OF VIRTUAL PUBLIC INFORMATION CENTRE

Utility Access Route between Glenwood Drive and Peartree Court Municipal Class Environmental Assessment

The Study

The City of Brantford is undertaking a Schedule B Class Environmental Assessment Study to provide access for utility inspections and maintenance between Glenwood Drive and Peartree Court.

The Wastewater Collection System, including sanitary and storm sewers, are valuable assets owned by the City of Brantford. Ownership of such utilities requires regular maintenance and inspection programs, along with the ability to repair and upgrade.

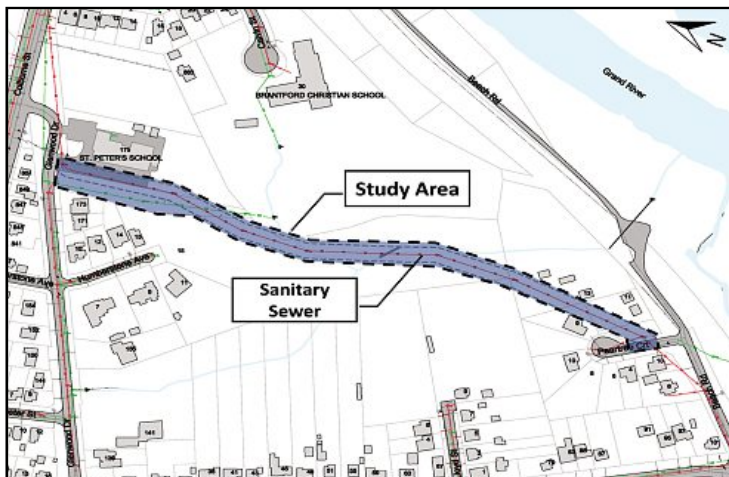

The sanitary and stormwater network from Glenwood Drive to Peartree Court extends through natural environment settings and has been overgrown since construction, which in turn provides limited opportunities for the City to undertake regular maintenance and inspections or emergency repairs.

The Process

The Study will examine the Wastewater Network and the associated natural resources within the Study Area to identify constraints to access, potential future risks, and opportunities for environmental enhancement.

Through the Class EA process, multiple alternative solutions are being developed and evaluated by the Study Team and will be refined through public and agency consultation. The Study Team will then select a Preferred Alternative and proceed with the design of the recommended works. At the end of the study, a Project File documenting The Study process will be available for public review.

Study Area

Virtual Public Information Centre

Due to the COVID-19 pandemic, the City is hosting this Public Information Centre (PIC) virtually. PIC content and instructions on how to submit questions or comments to the project team will be available beginning June 10, 2021, at brantford.ca/UtilityAccessPIC. Comments will be collected until 4:30 PM on June 25, 2021.

We Want to Hear from You!

If you have any questions or comments regarding The Study, or if you wish to be added to The Study mailing list, please contact a member of the Study Team below:

Jim Young

Manager of Water Distribution and Waste Water Collection
City of Brantford
324 Grand River Avenue
Brantford, ON, N3T 4Y8
519-759-4150 Ext. 5302
